### **Madeline Island Public Library Purchase Award**

The Madeline Island Library Board has set a goal to establish a community collection of art by artists who have a current or historical connection to Madeline Island. The library board will purchase one piece of local art annually by awarding the artist the purchase amount.

The library board will accept nomination applications from January 1<sup>st</sup> – May 1<sup>st</sup> each year and make a decision at the regularly scheduled June board meeting.

The award consideration will be based on the artist's current or historical connection to Madeline Island, the development of a diverse collection at the library, availability of funds for the purchase, and the appropriateness of the art for displaying at the library.

To apply for consideration submit an application by May 1<sup>st</sup> of the award year.

Please direct any questions to the Madeline Island Public Library Director Connie Ross at 715-747-3662 or [madlib4@yahoo.com](mailto:madlib4@yahoo.com).
